“Bee the Best with Thelma” added to NRB Network TV Line up

Dallas, Texas: Thelma Wells invites you to watch her new television program on NRB Channel 378 on Direct TV! Tune in each Wednesday at 10:30 a.m. eastern/9:30 a.m. central, before "Precepts for Life," to hear the encouragement “Mama T” has for you!

NRB Network, a non-commercial, public interest television channel, reaches a national audience 24 hours a day with Christian programming that educates, entertains and embraces biblical truth. NRB Network is available to more than 18.5 million US households.

““Bee the Best with Thelma Wells’ is a wonderful addition to our women’s lineup,” said Troy A. Miller, NRB Network president and COO. “Thelma’s unique teaching style is down-to-earth, relatable and engaging. Our female viewers are sure to find themselves challenged in their thinking and encouraged in their walk with God.”

Thelma Wells carries the name "Mama T" well. Just one look at her new show and you'll be hooked. In some shows she's teaching and in others she's chatting with her girlfriends about LIFE. But, in every show you can feel the warmth, love, honesty and devotion of A Woman of God.

The show offers a fresh perspective on today's issues for women through dialogue and teaching (it's like "The View meets Women of Faith"). And each topic is selected to encourage and support women of all races and ethnicities in a very real way ("Mama T meets Oprah").

You'll laugh, cry, shout, applaud and most importantly – “BEE” changed. For more information, visit www.thelmawells.com/tv-show.
