

Kennard Llewellyn Haggerty Artist and Creator of Prophetic Art and High Worship Music

Hello Everyone!

My name is Kennard Llewellyn Haggerty. I am a Follower of Jesus Christ, the Savior of the world. GOD has gifted me with Art and music to share with everyone and to tell of the tremendous power of His Son Jesus, the Christ, my LORD! Sharing Christ through Art has become my foundation and footstool.

I created my first piece of Art, a drawing of a Running Rabbit, in 1966, as a 12-year-old in the 6th grade. The Running Rabbit drawing is still part of my collection. In 1969, when I was 15 years old, Art became my passion and I became interested in getting formal Art training. Finally, in 1971 at the age of 17, I was able to sign up for a correspondence course through an Art Instruction School. After I gave my life to Jesus Christ on April 20, 1977, at Age 23, Art became my tool for releasing and expressing my love for Jesus Christ. Even now, 45 years later, Art continues to fill me with great vision and excitement.

As a Christian, the New Testament Book of Colossians, chapter 3, verses 16, 23, 24 and 25, are some of my favorite Bible scriptures. I have stood on these verses in Colossians for many years.

Colossians 3:16, 23-25:

16. Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the LORD.
23. And whatsoever ye do, in word or deed, do it heartily, as to the LORD, and not unto men;
24. knowing that of the LORD ye receive the reward of the inheritance: for ye serve the LORD Christ.
25. But he that doeth wrong shall receive for the wrong which he hath done: and there is no respect of persons."

I have even written poetry. My poem titled: "*Christ Through Art Is*" is a poem that I share at all of my art shows and with you below - Enjoy!

Christ through Art is food for my soul.

Christ through Art is my friend when others let me down.

Christ through Art is a beautiful lady with eyes
that shine like stars and whose presence reminds me of
the birth of a new babe.

Christ through Art is that which fills that lonely spot we all feel sometimes in
our lives.

Christ through Art is my way of releasing
the safety valve of my inner feelings
in telling of the
love of JESUS THE CHRIST.

Art was given to me so please accept my gift to you.

Christ through Art will be a footstool in my relationship with GOD and mankind.

Art is my gift from GOD to tell of the great power of His son JESUS CHRIST my
Lord!

GOD has been good to me. Art was given to me as a gift and I have also been blessed with the gift of Music. I play the clarinet and create music. As an artist and musician, sharing the Gospel of JESUS CHRIST through prophetic Art and music is my greatest desire. I use my gifts to create what I call "High Worship." My High Worship music and Art is the result of GOD showing me years ago that there is a difference between Praise and Worship.

In preparation for producing High Worship prophetic paintings and music, I have a time of fasting, praying, seeking GOD for what will be the subject to share with my audiences, asking GOD to guide my hands to create a work pleasing to Him for His Glory and leading people to worship Him.

Many viewers have given feedback over the years of my paintings and music. No matter what the subject maybe, they see different images and hear different sounds. Many have told me of the brilliance of colors they see in the paintings.

A collector of my Art named Gregory had a medical emergency on December 24, 2010. The medical team discovered he had three blood clots in his lungs. As a saxophonist who lives for Christ, he was devastated and knew he needed to focus on the Word of GOD. He had his wife to bring my painting titled: "With His Stripes We are Healed" to his hospital room and installed it in front of the television. This painting was created under the inspiration of the scripture Isaiah 53:5 which reads: "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

Gregory had no choice but to view my painting during every waking moment in the hospital. As soon as he could talk, he would tell everyone who came into his room what the painting was all about - Healing!

Gregory was healed of the blood clots and started performing with his saxophone again within two years. He said he sees so much within the painting. Such things as the scarred, beaten, and bloody face of Jesus wearing a crown of thorns, people praising GOD, people in worship, an image of JESUS CHRIST standing next to Gregory with his saxophone in front of an international audience. He says GOD reveals a new image each time he looks at it and always re-enforces the scripture that says "with His Stripes We are Healed."

My Art and Music, as well as the sound of my clarinet exemplified all I do for the LORD JESUS. They are an expression to the young, old, male and female, the wonders of an Almighty GOD.

I encourage all creative believers in JESUS CHRIST to present to the world the wonderful love that our loving Creator has for His creation. GOD'S love is exemplified in the

John 3:16 Bible verse: "For GOD so loved the world, that he gave his only begotten SON, that whosoever believes in Him should not perish, but have everlasting life."

"As an Artist I cannot separate Art from Faith in the Creator GOD. I cannot allow my work to be separated from my relationship in CHRIST. Spiritual gifts come from GOD not man.

My High Worship music is the result of GOD showing me years ago that there is a difference between Praise and Worship. In 2004, I participated in The Feast of Tabernacles in Kuala Lumpur, Malaysia. I was told that my music and art was anointed by GOD and I needed to share it with the world. Art and music was given to me so I shall not hold it back to myself but openly share my gifts with everyone in the world.
